Amazing Grace: Exploring Right and Wrong

Amazing Grace intends to help youth understand right and wrong and act on their new understanding. Its purpose is to equip them for moving safely and productively through the middle- and high school years, when they will be continually tugged toward both ends of the ethics continuum. Through their involvement in Amazing Grace, youth will come to recognize and depend on their Unitarian Universalist identity and resources as essential to their movement toward understanding, independence, and fulfillment of personal promise.
